# FORT WAYNE ELECTRIC WORKS

OF  
GENERAL ELECTRIC COMPANY,  
MAIN OFFICE FORT WAYNE, INDIANA.

FORT WAYNE, INDIANA. March 17, 1913.

Board of Public Works,

Fort Wayne, Ind.

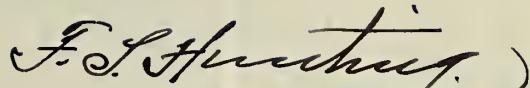

Gentlemen:-

We have acquired all the property on the North side of Wall Street between Union and College Streets. As we shall ultimately use this for manufacturing purposes, and as we are now making plans to move away most of the houses on this plat of land, we shall be pleased to have you consider vacating the alley at the rear of this plat of land, and between it and the Pennsylvania tracks. I am assured it is the desire of the Pennsylvania Railroad to have this alley vacated. We should like ultimately to utilize portions at any rate of this alley for a side track into any buildings which we may later build on this tract or tract on the South of Wall Street which belongs to us. We shall appreciate very much if you can take the necessary steps to vacate this alley, and if there is any data or assistance which you require of us in any way, we shall be pleased to furnish it.

Yours truly,

Dic.F.S.H.--P.

P.S.

GENERAL MANAGER.

The title to this property stands in the name of the General Electric Company, and not the Fort Wayne Electric Works of General Electric Company.
